

Friends of Shirtcliffe

Below are listed the Friends of Shirtcliffe events (2023):

Ranger-supervised Workdays

The week before each workday, FoS Officers undertake a Risk Assessment walk. If you spot any problems in the meantime, please let one of the committee members know.

For the FoS activities I'm concentrating on trying to reduce the Bramble beds along the Valley bottom, and along the Edge.

FoS workdays, all on Saturdays 1 PM to 3 PM:

11th November. Fettle Shirtcliffe Woods and Bridleway (mainly removing litter). Meet at the Schubert Bridge entrance on Beaver Hill Road (SK 41997 85300).
Please bring loppers, secateurs, and heavy-duty gloves if you have them. I will try and arrange a supply of bin bags and litter pickers.

Sue's Litter Team work days: all on Wednesdays.

Sue takes regular walks around the district, checking what needs doing to keep the area clear of litter and fly-tipping. Depending on the result, she arranges the necessary tasks with her team.

13th December. *To be Arranged.*
